STORYCAST RESEARCH DOCUMENT

Project concept: StoryCast is a storytelling microsite that explains the drama of the 2021 Hungarian Grand Prix through video, narrated audio, an illustrated race narrative and readable text. It should be engaging for users without assuming that every visitor can hear, see or use a mouse.

Colour System and Typography

Racing red
Racing black
White
Off-white
Graphite
Dark Red

Prata : H1s, Chapter titles, and quotes
Poppins : Navigation, description, captions, buttons, metadata and transcripts.
